Animal By-Product Waste, Disposal of

WHEREAS certain animal byproducts are no longer utilized in animal feed and no longer have an economic value, and

WHEREAS Western Slope processors do not have the ability to dispose of this waste, and

WHEREAS counties must now handle this waste through their local landfills and face stringent requirements when dealing with liquid waste, and

WHEREAS the Colorado Department of Public Health & Environment, County Landfill Coordinators and Western Slope processors are working together to find a solution to this waste disposal issue;

NOW THEREFORE BE IT RESOLVED that CLUB 20 supports appropriate measures and flexibility by the Colorado Department of Public Health & Environment to allow counties to continue to accept and dispose of all processing waste (non-marketable animal byproducts) from local packing processors in western Colorado.
