**92-2 BA 1**  
**ENTERPRISE ZONES**

**WHEREAS:** Enterprise zones are vital to the economic recovery of Western Colorado, and

**WHEREAS:** The enterprise zone funding has gone from \$50,000 per zone to less than \$22,000 in recent years, and

**WHEREAS:** Recent proposals in the General Assembly have suggested broadening the enterprise zone incentives state-wide, which would further dilute the funding,

**NOW THEREFORE BE IT RESOLVED** that CLUB 20 supports maintaining the integrity of the enterprise zone program, and of the three enterprise zones in Western Colorado, opposes any further reduction in the level of credits provided, and opposes any increase in the number of enterprise zone areas at this time.

**Adopted February 14, 1992**
