Fire, Federal Wildland Fire Management Funding

WHEREAS: Congress has appropriated \$240,000,000 for assistance to fire fighting units, accelerated planning for fire agencies, and on-site vegetative management programs; and

WHEREAS: Federal agencies with land management responsibilities are developing an extensive planning process for use of the funds; and

WHEREAS: Initial *efforts of* the planning process indicate that the amount of funding for on the ground resource management may not have an equal share of the appropriated funding;

NOW THEREFORE BE IT RESOLVED that CLUB 20 strongly urges the federal agencies to direct adequate financial resources to land management and treatment programs.
