Weed Management, Colorado’s Plan

WHEREAS: Successful and cost-effective weed management endeavors require an organized and coordinated effort among all affected landowners and industries; and

WHEREAS: The purpose of the strategic plan is to provide a common focus for our many and diverse efforts to address the weed management needs of Colorado; and

WHEREAS: The strategic plan will provide all partners with more focused opportunities to collaborate in ways that will lead to a more successful, statewide effort to manage noxious weeds; and

WHEREAS: The vision is to have productive agriculture and a healthy environment that continue to provide Colorado residents with an exceptional quality of life unimpaired by noxious weeds; and

WHEREAS: To stop the spread of noxious weed species in Colorado and restore degraded lands of exceptional agricultural and environmental value during the 21st century a strategic plan is necessary; and

WHEREAS: The Colorado Department of Agriculture seeks the endorsement and support of a wide array of state and federal agencies, local governments, and agricultural, environmental, and political organizations for the strategic plan;

NOW THEREFORE BE IT RESOLVED that CLUB 20 supports the state Agriculture Department's Strategic Plan for Noxious Weed Management.

Adopted September 7, 2001
