SCENIC BYWAY MAPS

WHEREAS Western Colorado is now home to several officially designated national scenic byways; and

WHEREAS State highway maps published in 1993 do not highlight these byways adequately; and

WHEREAS the federal transportation legislation specifically authorized federal funding for promotion of national scenic byways;

THEREFORE BE IT RESOLVED that CLUB 20 continues to encourage the Colorado Tourism Office and the Colorado Department of Transportation to investigate the use of federal transportation funds for publication of the state highway maps, and that such maps should strongly highlight the national scenic byways.
