94-3 PL 3
Forest Service Travel Plans

WHEREAS: The U.S. Forest Service is in the process of rewriting travel management plans for several Western Slope national forests, including Uncompahgre, Gunnison, Grand Mesa, and White River, and

WHEREAS: These travel plans have a direct effect on the economies of neighboring communities, because of their potential impact on recreational and other uses of public lands,

NOW THEREFORE BE IT RESOLVED that CLUB 20 should be involved in these decisions on behalf of its member communities, and should specifically request direct involvement in any such planning, including membership on any working committees.
