**93-9 PL 1**  
**State School Lands, Opposing Sale of**

**WHEREAS:** State school lands were originally set aside to provide revenue for public schools in rural areas, and

**WHEREAS:** Such lands now support a substantial agriculture economy, and provide revenue to the State school system, and

**WHEREAS:** Controversy over public access to such lands, and the drive for increased revenues has prompted some legislators to consider selling such lands, and

**WHEREAS:** Such sale of public lands is ill-advised because it would deprive the public of resources, and the school system of long-term revenues,

**NOW THEREFORE BE IT RESOLVED** that CLUB 20 opposes any plan to sell state school lands.

**Adopted 9-10-93**
